

GRADE 1 & GRADE 2 TRAINING ENDORSEMENT

TAKE YOUR FLIGHT INSTRUCTOR CAPABILITIES TO THE NEXT LEVEL

#TheSkylsCalling
**TAKE YOUR ABILITIES TO
THE NEXT LEVEL**

As you progress as a Flight Instructor and your experience grows, so too should your knowledge and your ability to teach. **The more you can teach, the more types of flying you are able to do, and therefore the greater your ability to both earn and build hours.**

It's also important for you to be able to take on additional responsibilities, and be able to endorse and approve critical student pilot training steps. Completing a **Grade 1 or Grade 2 Training Endorsement** will take your Flight Instructor abilities to the next level and allow you to progress your aviation career even further.

EXPAND YOUR ROLE AS A FLIGHT INSTRUCTOR

With a **Grade 2 Training Endorsement** you can approve first solo flights, conduct flight reviews for ratings, assess student knowledge deficiency reports (KDRs) for licence and rating grants, and grant endorsements on Recreational Pilot Licences (RPLs).

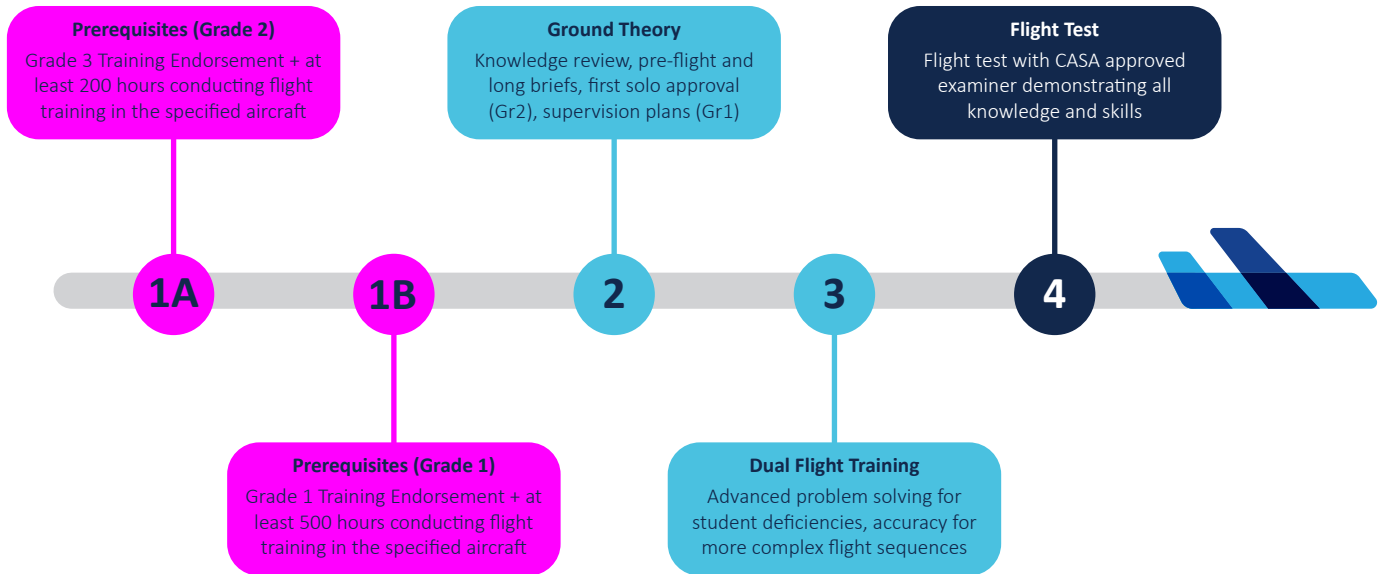

A **Grade 1 Training Endorsement** expands on that even further, allowing you to supervise both Grade 2 and Grade 3 Flight Instructors, and deliver instructor training for the Grade 2 Training Endorsement.

OUR GRADUATE: CLEMENT SUEN

“The Grade 1 and 2 Training Endorsements cover advanced Flight Instructor concepts and responsibilities like sending a student solo for the first time. Grade 1 and 2 instructors are expected to explain concepts more clearly and in greater depth. The LTF courses are interactive, with experienced instructors providing support and valuable feedback to help me improve my briefing skills, which then helps my teaching” – Clement Suen, Grade 2 LTF Flight Instructor
